4 . A WEBSITE THAT INTERESTS ME

What is the URL of the site?

<https://apple.com>

What is the purpose of the site?

To showcase and sell Apple products and services.

Who is the intended audience?

The intended audience is any individual, consumer, tech enthusiast, etc.

Does the site reach its intended audience? Why or why not?

Yes, the site does reach out to its audience, as it has a large audience and is easy to navigate and visually appealing.

Is the site useful to you? Why or why not?

The site is useful to me because it shows the latest developments on any of Apple's devices

Does this site appeal to you? Why or why not? Consider the use of color, images, multimedia, organization, and ease of navigation.

The site does appeal to me; it's easy on the eyes, being only black and white (except for the product colors). The font complements the site well.

Would you encourage others to visit this site? Why or why not?

I would if they wanted information about Apple and its products.

How could this site be improved?

I think this site is wonderful and complete.
